Hands-On Mushroom Cultivation Workshop

Discover easy, low-cost methods for growing delicious gourmet mushrooms such as shiitake, wine cap, and oyster. Learn how to inoculate logs and wood chip beds so that you can harvest and sell your own mushrooms year after year!

Topics Covered:

Growing oyster mushrooms on straw and sawdust
Inoculating shiitake mushroom logs (hands-on)
Growing winecap mushrooms in woodchips or straw mulch
Log selection and harvest

Each participant will receive:

Oyster Mushroom Production Bag
Inoculated Shiitake Log

Cost of the workshop is $25
