

Reno County Ag Challenge of Champions

Wednesday, July 16th @ 6 – 9 pm, Prairie Pavilion Conference Rooms

ALL contestants must be present at the beginning of the event, as we will have judges scheduled to interview the contestants during the competition along with the identification and test portions of the event. Bottled water and snacks will be provided during the competition for all contestants!

The junior division of this event is a shortened version of the intermediate & senior events. Therefore, junior contestants will NOT utilize the entire time for the contest and ALL contestants may leave when completed with all three areas of the competition – interview, ID and written test. We will plan to announce the results at the awards luncheon on Monday, July 24th beginning at 11:45 am.

Age Divisions (as of January 1, 2017):

Junior – 7-11 years old
Intermediate – 12-15 years old
Senior – 16-19 years old

Pre-registration is NOT required but it would be helpful to e-mail your plans to participate to jlark@usd313.org. Also, if you have any questions about this event, please don't hesitate to contact me. Some suggested review/study resources are listed below:
