

Reno County 4-H

HOUSEHOLD NOMINATIONS

Please read below for complete rules. The Household Nominations Form found at reno.ksu.edu or available at specie weigh-in and tagging or from the Extension Office must be completed and returned to the Extension Office by February 20 for animals to be eligible under Household Nominations. Please contact the extension office with any questions.

Household Nominations Rules and Guidelines

Household nomination is designed for households with multiple children and animal projects who wish to co-nominate livestock. This program is available for **market animals only**.

Household nomination is optional. Household members may nominate individually if they wish, but will not be given the opportunity to switch ownership after May 20.

Household Nomination Requirements: Youth will be allowed to enter and show any animal that was nominated by their household according to the following restrictions:

- Youth must all **legally reside in the same household** and **share the same legal address and be listed on the household nominations form**.
- The youth entering the animal must have materially participated in the care of the project for **the majority of the time**.
- Youth will determine which individual animal they will exhibit at show check-in.

The Reno County 4-H Household Nominations policy is modeled after the K-State Youth Livestock Programs guidelines for Household Nominations. Please contact Joan Krumme, Reno County 4-H Youth Development Agent at 620.662.2371 or jkrumme@ksu.edu with questions. Grievances with policy and rules will be settled by the 4-H Program Development Committee and Reno County Extension Council.

Example of Household Nominations: Willie Wildcat Family (brothers Willie, Frank, and Bill) household nominate three market steers named Jayhawk, Tiger, and Shocker (could be sheep, swine, or goats). At the time of check-in for the show, Willie Wildcat indicates he will show Tiger, Frank Wildcat indicates he will show Jayhawk, and Bill Wildcat will show Shocker. Which son will show which steer is decided at fair check-in.
