“Knowledge for Life”

INSTRUCTOR

Rich Llewelyn

Rich Llewelyn is an Extension Assistant in the Department of Agricultural Economics at K-State. Raised on a farm near Riley, KS, he is a three-time graduate of K-State with a B.S. degree in Agronomy, and a Masters and PhD in Agricultural Economics. He then spent 13 years teaching economics and working with urban and rural community development in East Java, Indonesia before returning to Kansas in 2006 to work with the AgManager.info website and departmental conferences, including the Risk and Profit conference and the state-wide Ag Profitability conferences. He also teaches the “Price Analysis and Forecasting” course for undergraduate students and uses Excel in class as well as for a multitude of uses.
