2022 – 2023 Fair Theme

The Reno County Fair has a new logo so be watching for it on different events. Make sure to like their page, thank you Fairboard for all that you do.

Get the Scoop on this year's fundraiser!

The Reno County 4-H Council voted to sell cookie dough from the Little Ol' Cookie House out of Little River this year. This is the same local company and small-town business that we partnered with last year, so you may already have some favorite flavors in mind! There are 11 different flavors to choose from, and cookie dough can be bought in pre-portioned (\$20 each) or tubs (\$18 each).

You are welcome to start selling cookie dough as soon as you get your packet. Your order form and money are due back to the Extension Office on Monday, February 13th. Please have any checks made out to "4-H Council." Pick up date will be on Tuesday, March 7th. Watch for the March newsletter for more specifics on pick up time and procedures but pick up will occur at the back of the Extension Office.

We are asking that each youth in 4-H sell at least 1 container of cookie dough. Selling at least 1 container does count for the livestock sale requirement. Funds raised through this sale will be used throughout the year by the 4-H council to help serve our members. The Alley Fun Day and camp or event scholarships are just a couple of examples of opportunities that are possible because of our fundraising efforts.

If you have any questions, please contact Donna at the Extension Office at 620-662-2371 or dp96929@ksu.edu

Calling All Cloverbuds!

We are gauging interest and availability to provide county-wide cloverbud meetings. Donna would love the opportunity to work with 5- and 6-year-olds to teach them about 4-H basics and have fun with hands on activities and crafts! If you are interested in attending, please help us plan by completing [this Google form](#).

Are you interested in helping Donna work with our Cloverbuds? Please reach out to us by calling the office or emailing Donna at dp96929@ksu.edu.

For the Record...

We know that the holidays can be busy and stressful, so this month's tip is short and sweet.

If you haven't already, think about and implement a way to record the activities your 4-H'er does, the pictures you take, and the purchases made for projects. Personally, I like making a Google Drive folder to store all the above in one place!

Adult Volunteers Needed: NE Regional Awards Screening

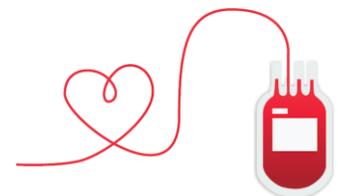

The regional project award screening is scheduled for Friday, January 20th in person in Manhattan. This is a great opportunity to learn more about project records. Lunch is provided, and the extension office can help with travel costs as well. Please contact Adam if you are interested at 620-662-2371 or alessor@ksu.edu

Blood Drive

We are partnering with the Red Cross to host a blood drive on Saturday, January 28th at Emanuel Lutheran Church from 9 am – 2pm. We need your help to host the drive, and to find donors!

Please use the sign-up genius to reserve a slot to help ([click here](#)). The Red Cross requires any volunteer 16 and younger to be accompanied by an adult, so families are encouraged to sign up for a slot together. This activity will count towards livestock sale requirements.

Sign up to donate blood at the [Red Cross Website](#)

Nickerson Clovers Celebrate the Holidays & Year-End Achievements

Submitted by Colyer Williams, Co-Reporter

Members of the Nickerson Clovers 4-H Club welcomed the Mitchell 4-H Club to the December monthly meeting. Business was conducted during the meeting and members were able to join in fellowship following adjournment for an ornament exchange and pizza party. Reno County Extension Staff, Adam Lesser and Donna Phillips joined the meeting to recognize the club and member's achievements from the past year. Highlights of the recognition included being awarded the Purple Seal, having 13 members earn certificates for record book completion and earning the next membership pin for their work throughout the year. Three leaders were recognized for their years of service to Reno County 4-H. Josie Heter, Ryder Heter, Colyer Williams, Graham Williams and Chandler Poppelreiter were recognized for winning awards in their age divisions in project record books. Josie Heter was also awarded the overall record book award for the Intermediate Division.

Hands to Larger Service...

On Saturday November 3rd, at Buhler Mennonite Church (BMC), there was an opportunity to apply our 4-H pledge, hands to larger service. BMC hosted a meal-prep event with the goal of packing 50,000 meals for families in need within Reno and Harvey Counties. I organized a group of people to participate in this worthwhile cause. We prepared oatmeal with apples and vitamin packets. Work was done in an assembly line manner. First someone added the ingredients. Next the ingredients were weighed to ensure accuracy of the recipe when the oatmeal was made. Following that, someone sealed the package. And finally, a label was added. There was two shifts and my group participated in the morning session. The morning group assembled 25,000 of the 50,000 meals that were needed. My group assembled 5,000 meals. This was a great way to have fun AND serve the community!

Reno County had 72 4-H'ers, parents & grandparent attend this event. Way to represent, more pictures below of all the fun that was had while helping the community.

Haven 4-H Club Earns Reno County Outstanding Club of the Year
by Zach Blubaugh and Amelia Scott, Haven 4-H Club Reporters

On Sunday, November 20th, the Haven 4-H club met alongside the Thomadora 4H club at Haven High School for a 4-H exchange meeting and Reno County Achievement night. The Haven 4-H club met early and worked on Thank-you gifts for club sponsors to be passed out in December. Before the county achievement part of the meeting both clubs ran a business meeting together. Haven voted on a donation to First Call for Help, voted to sponsor two families for the Community Christmas Tree, and planned their portion of helping with Community Christmas in Haven. During this meeting donations were gathered for the Haven Community Food Bank and for Teen Christmas. Paxton Blubaugh gave a presentation about steer riding. Saige Blubaugh gave a talk about how to saddle a horse, and Lily Hoskingson gave a talk about how to get your goat show ring ready.

Every year 4H members throughout the county turn in record books of their projects to the county extension office. Individual members and club's are judged alongside other 4-H members and clubs in the county and can earn awards. It is exciting for members and clubs to earn recognition from the county. Here are the following achievements earned by Haven 4-H:

Haven earned a Purple Club Seal, this is the highest seal that can be earned by a club for their activities throughout the year and won Reno County Outstanding Club of the Year.

Individual achievement pins are earned by meeting a number of requirements like community service, serving on committees and other activities in 4H. The following Haven 4-H members earned pins this year.
