ATTENTION ALL 4-HER’S

SCTelcom would again like to invite the 4H kids to submit photos for the front cover of our 2022-23 phonebook. Electronic versions can be sent to marketing@sctelcom.com. We would like them to be sized at least 5” x 7” and resolution of photo needs to be at least 300 dpi. We encourage scenic shots versus shots of people. When sending in the photos, be sure to include name of person taking the picture and the 4-H chapter they are a part of. The deadline for submitting photos will be January 21, 2022. The marketing team will pick winners from all photos submitted. The chapter from whom the winner is chosen will receive a donation. We want to be sure they understand the kid will not receive the money but the chapter they are involved with will. $100 will go to the chapter of the front cover winner.

The theme for the 2022 Reno County fair is…………

“REACH FOR THE STARS WITH 4-H!!”

Frm the desk of reporter Nora Busenbark of the Buhler 4-H club.

A volunteer group including 9 4-H members and five parents did a rake and run. They raked and bagged leaves in 4 elderly Buhler residents’ yards, and bagged and hauled leaves to the Reno County landfill on Saturday, November 13. Great Job!!!

**Academic Year Programs (AYP) for 2022-23**

Academic Year Exchanges, which will involve high school students from Japan and South Korea coming to Kansas in August 2022 and returning to their native countries in June 2023, are now seeking host families for the year. These students’ applications are expected to begin arriving in the U.S. at the end of January 2022. Encourage families who are interested to discuss the opportunity over Christmas/New Years holiday. These exchange students are eager to become members of Kansas families. Some have been planning for this experience for several years. They have all studied English and passed several levels of interviews and have strong academic backgrounds and are motivated to work hard in their studies. 4-H does its best to support the students and the host families throughout the exchange.

Anyone with questions or who would like access to the Host Family Application link should contact Mary Kay Munson, Kansas AYP Coordinator at 785-375-3189 or mkm2@ksu.edu. She is available throughout the holiday period. Munson reminds families that families who apply early will have the widest selection of students. There are no requirements of host siblings for this exchange. Families provide food, lodging and transportation. Students pay for their own personal needs, clothing and school expenses. They are provided good health insurance by the program.
