

Reno County 4-H/FFA Premium Auction Eligibility Requirements

Name: _____

Club: _____

To be eligible to sell a market animal at the Reno County Fair Premium Auction, members must complete the outlined requirements during the 4-H/FFA program proceeding the start of the fair (August 1st through June 30th). This does NOT prevent the participant from entering items in the fair, however it does dictate whether they are allowed to sell an animal at the conclusion of fair. It is the member and their family's responsibility to complete the items and clearly mark them with an "X", providing the date of the event which will be verified by the Reno County Extension Office prior to the start of the fair. You should work with your club secretary, community leaders and extension staff to make sure the requirements have been met throughout the program year.
