Comments: Cow sires OJ and Pledge are purebred Simmental. Tippy is ¾ Simmental, ¼ Angus. Zechariah is purebred Angus. The calf sires are all Angus AI bulls that we have used in previous years. They should make beautiful heifers and well-built steer calves. Check out the stout 130 bull calf. We are interested in buying the calves back at weaning.

Comments: Due to a cleanup bull injury, we had several heifers open last fall through no fault of their own. These are fall bred and the same heifers as the two-year-old pairs. Sires OJ and Pledge are purebred Simmental. Tippy is ¾ Simm., ¼ Angus. Zechariah is purebred Angus. #4 was AIed to Heisman, a +16, top 2% calving ease Angus sire. All four were with Eyelashes, our ½ Simmental, ½ Angus son of Sinclair Timeless 8BA4. He is our lowest birthweight herd bull and we (accidentally) had two yearling heifers calve unassisted to him last year.

Comments: Tippy is a ¾ Simmental, ¼ Angus bull who makes beautiful heifers. Malachi is a purebred Angus son of N Bar Prime Time D806. They are Aled to the Angus bull Effective, a +16, top 2% calving ease bull with calves we really like. Don’t let them surprise you – we’ve had calves born from him at less than 9 months gestation. Heifers were exposed to Eyelashes, our ½ Simmental, ½ Angus son of Sinclair Timeless 8BA4. He is our lowest birthweight herd bull and we (accidently) had two yearling heifers calve unassisted to him last year.
