

Reno County Cattlemen's Association
38th ANNUAL GOING TO GRASS SALE
Tuesday, April 19th, 2022 at 11:00 A.M.
Central Livestock – 811 North Main – South Hutchinson, Kansas

Selling: All Breeds, Registered and Commercial Females, Open Heifers, Bred Females, Cow/Calf Pairs and Registerable Bulls.
You are invited to consign your **QUALITY** cattle to this sale.

WE PLAN TO HAVE THE CATALOG ON THE WEBSITE BY FRIDAY, APRIL 8, 2022:
<https://www.reno.ksu.edu/crops-livestock/cattlemen>

The Going to Grass Sale has proven to be a great place to sell your quality breeding stock at a premium over regular sale barn prices. We have multiple producers who have sold cattle with us for decades and have built a great reputation for their animals.

The Association Board of Directors would like for this sale to continue to be a place where area cattle producers can come to purchase **QUALITY** cattle. We need your help to reach this goal by consigning a group of your quality females and bulls.

All cattle are subject to approval by the RCCA board before they can be sold. Cattle with bad eyes, bad disposition, abscesses and other health problems will not be allowed to sell.

All cattle must be owned by consignor on or before January 1, 2022.

Follow all Kansas Department of Agriculture Division of Animal Health Requirements

Pregnancy checks must be done before arrival at the sale unless other arrangements have been made with the sale barn. Health certificates stating this must be available when cattle are unloaded.

Cattle will be accepted from 8:00 a.m. until 10:30 a.m. on Tuesday, April 19, 2022. Please note the public is invited to view the cattle beginning at 9:30 a.m. Call the sale barn if other arrangements need to be made.

Transfer of registration papers between buyer and seller is the seller's responsibility. Please indicate if papers are available on your consignment and your terms of transfer.

Consignment deadline is 7:00 pm, Monday, April 4th, 2022
